

## **To Any and All Who Care About What the Community Wellness Society does in our Community, Looking for People to Stand Up and Donate to a Worthy Cause – Drum Rolls... Smiles Please!**

Help us keep our Community Beautiful, Safe and Healthy. Please take care of this and not just say next time, or too soon in the New Year... We need support and we need it as soon as possible.

You will want to know why , so... Rent for a Sports Facility (Sooke Community Hall)... Gear for athletics and administrative costs of a Society.... Attached is a spreadsheet of actual costs for 2011, some are outstanding. Ongoing expenses are detailed and include Hall rental for 2012. Anything electronic I do is 80% geared to Public and Community and for this reason I have been given permission of the Society's Directors for a cell phone, computer stuff, programs and paper etc...

We are also doing something wonderful in print to offer to the Community in exchange for donations. Stay tuned.

We care about the Community and we want to raise whatever it takes from People in the Community, to do whatever is needed so that we may easily and happily continue to offer our brand of Smiling Happiness. We are willing to communicate with any Individuals, Groups, Organizations, and or Departments...

We are Philanthropists and so ask all other Local Philanthropists... if you are willing and able to consider supporting the Community Wellness Society, NOW is when we are looking for consideration.
